GET COVID-19N UPDATES ON YOUR PHONE

UltiPro® Community Broadcast Push Notifications

TNG Retail Services can quickly deliver company, human resources, payroll, and benefits information to employees with the UltiPro® Community Broadcast Mobile feature! Receive push notifications on any smartphone or tablet.

INSTRUCTIONS

To receive Community Broadcast messages, download the UltiPro mobile app!

Enter TNGRetail for the Company Access Code

Push notifications will be delivered directly to your mobile device, and the messages will reside in your UltiPro mobile app Inbox. From the app, you can acknowledge or archive Community Broadcast messages.

To opt in or out of receiving push notifications, go to Menu > Settings > Notifications in the UltiPro mobile app.
