Teamwork

We want YOU to stay! You are an important part of our team and we have work available for you within our WAVE, Remodel and AMP projects. When you say yes, "I want to try something new", for every 50 hours in AMP, you will receive a **\$100 bonus**. Work another 50 hours and get another \$100 bonus, and so on.

Other benefits after making the switch from Continuity Work are:

- Increased pay per hour (on any AMP work completed)
- A consistent 40 hours of week available
- Drive-time reimbursement between stores
- Working on a team

There's variety, team comradery and the chance for travel. And, often the hours are to guarantee low contact with shoppers, to help with your safety. We are offering flexibility to make this work for you. Email: countmein@tngretail.com to see what is available in your area!

The fine print...

- Hourly continuity merchandisers (ADP-paid). Field management not eligible.
- May remain in current position, completing all work assigned. Can be combined with ADD pay rates when offered.
- Must request participation through MM, successfully complete all training.
- Drive time and other non-project hours do not count towards eligible hours.
- Poor performance may limit or end participation, result in disciplinary action.
- Available project hours may be limited in some areas.
- Bonus program runs until December 31, 2020.
