

Make it your business to **FIGHT THE FLU!**

Albertsons pharmacy team is ready to help protect your employees with flu shots.

Every year, up to 20% of Americans get sick from the flu virus.

Keep your employees safe with a flu clinic wherever you are, wherever you need it.

Safe & Flexible Clinic Options

- On-site clinic hosted at your facility in a location of your choosing on a date and time that works for your business
- Drive-thru clinic in your facility's parking lot so your employees can receive a flu shot without leaving their car
- Alternate site clinic if your facility is closed due to the COVID-19 pandemic
- Flu shot vouchers to provide to your employees that can be redeemed at any of our pharmacies

We Make it Easy

- Trained pharmacists to administer the shots
- Online scheduler to assist in traffic control and ensure participant safety
- Billing options such as employee insurance plans, direct invoicing, cash payment, & more
- Up to 30% discount for self-pay employers
- Marketing materials provided
- Other immunizations available like shingles, pneumonia, and tetanus

Good for Your Business & Your Associates

- Increased likelihood that your associates will get vaccinated
- Increase productivity, reduce sick days, and lower direct health costs
- Receive a coupon for 10% off their next grocery purchase of up to \$200* with any immunization

Good for the Community

- According to the CDC, flu vaccine reduces the risk of going to the doctor with the flu by 40-60% and prevents tens of thousands of hospitalizations each year
- The more protected people, the less risk for everyone

Contact us to schedule your flu shot clinic or for more information.
We look forward to helping you keep your associates healthy during flu season!
