Open Enrollment and Changing Coverage Down the Road

If you do not elect to participate in this vision program when initially eligible, you will not be able to elect coverage again until the next annual enrollment period unless you have a qualified life event.

Once a vision plan option is chosen during open enrollment, you will be required to remain in that plan until the next annual election period unless you have a qualified life event. At the next annual election period, you will be able to change your election.

The annual enrollment period will be held each year, and those who elect to enroll will have their insurance become effective on January 1.

Additional Ways to Save With the Ameritas Vision Plans: Rx Savings

Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.

To receive this Rx discount, Ameritas plan members just need to visit us at ameritas.com and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

Worldwide Support

When our members travel abroad, they'll have peace of mind knowing that should a dental or vision need arise, help is just a phone call away. Through AXA Assistance, Ameritas offers its dental and vision plan members 24-hour access to dental or vision provider referrals when traveling outside the U.S.

Immediately after a call is made to AXA, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits. Contact AXA Assistance USA toll free by calling 866-662-2731, or call collect from anywhere in the world by dialing 1-312-935-3727.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.
